P R O C E E D I N G S

1

2

**PRESIDING COMMISSIONER BIGGERS:** This is a

3

subsequent parole consideration for John Gzikowski,

4

that's G-Z-I-K-O-W-S-K-I. CDC number is D-00666.

5

Today's is January 3, 2007 and we're located at the

6

Ironwood State Prison. Inmate was received on

7

February 14, 1985 from San Francisco County. The life

8

term began on February 14, 1985 and the minimum

9

eligible parole date was February 14, 1985. That

10

doesn't sound right. That's a mistake.

11

**INMATE GZIKOWSKI:** Can I explain?

12

**DEPUTY COMMISSIONER BENTLEY:** MEPD?

13

**PRESIDING COMMISSIONER BIGGERS:** Yeah.

14

**DEPUTY COMMISSIONER BENTLEY:** Yeah, I'll get

15

that for you.

16

**PRESIDING COMMISSIONER BIGGERS:** Okay. I show

17

it 2-14-85. You say you have an explanation?

18

**INMATE GZIKOWSKI:** Yeah.

19

**DEPUTY COMMISSIONER BENTLEY:** Okay.

20

**INMATE GZIKOWSKI:** I was originally sentenced to

21

death row.

22

**PRESIDING COMMISSIONER BIGGERS:** I understand

23

that.

24

**INMATE GZIKOWSKI:** In (inaudible) all right.

25

When I got the new trial, CDC discharged me off my B

26

number but I'm on the same docket number. So when I

27

came back in the system (inaudible) seven to life, I

2

1 was under the same docket number but CDC issued me a  
2 new serial number. So while my sentence is running  
3 since (inaudible) jail from '78 to '85, I have two CDC  
4 numbers. One's a B number and one's a D number.  
5 Therefore, when I came back in under the D number, I  
6 already had the minimum amount of time served so I was  
7 (inaudible) eligible for --

8 **PRESIDING COMMISSIONER BIGGERS:** Okay. All  
9 right. Thank you, sir. All right. So we've  
10 substantiated that the minimum eligible parole date was  
11 February 14, 1985. The controlling offense for which  
12 the inmate has been committed is murder first degree.  
13 The case number is 97078. And it's one count. It's  
14 violation of the Penal Code 187. There were three  
15 additional counts. One was murder in the first degree.  
16 This also was a violation of the Penal Code 187. Same  
17 case number, same county, that was count two. There  
18 was also a count one of use of a firearm which is a  
19 violation of PC 12022.5, same count, same case number  
20 and that was one count. And then there was a second  
21 count of use of a firearm, which is violation of PC  
22 12022.5, same county, the same case number, and that  
23 was count two. Now Mr. Gzikowski, this hearing is  
24 being tape recorded. And for the purpose of voice  
25 identification, each of us will state our first and  
26 last name, spelling our last name. When it's your  
27 turn, sir, after spelling your last name, please give

1 us your CDC number. I will start and move to my right.  
2 My name is Archie Joe Biggers, B-I-G-G-E-R-S, and I'm a  
3 Commissioner with the Board of Parole Hearings.

4 **DEPUTY COMMISSIONER BENTLEY:** Carol Bentley,  
5 B-E-N-T-L-E-Y, Deputy Commissioner.

6 **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** Pamela Ann  
7 Underwood, U-N-D-E-R-W-O-O-D, District Attorney from  
8 San Francisco.

9 **INMATE GZIKOWSKI:** John Gzikowski, D double  
10 0666.

11 **ATTORNEY KELLY:** Jane Kelly, attorney for the  
12 inmate.

13 **PRESIDING COMMISSIONER BIGGERS:** Thank you.  
14 Before we begin there, Mr. Gzikowski, there's an ADA  
15 statement that's right there where (inaudible) there's  
16 a yellow sheet of paper. Would you please read that  
17 out loud for us.

18 **ATTORNEY KELLY:** This is -- I have an ADA  
19 problem.

20 **PRESIDING COMMISSIONER BIGGERS:** No, I'm talking  
21 about the inmate.

22 **ATTORNEY KELLY:** Okay. Just for the record I  
23 suffer from uveitis which is a chronic eye infection  
24 which just flared up. So if I put on my sunglasses,  
25 it's not out of disrespect but the lights --

26 **PRESIDING COMMISSIONER BIGGERS:** No, I -- I read  
27 that and I think we had a discussion in 2004 about that

1 as well.

2 **ATTORNEY KELLY:** I didn't -- No, actually I  
3 forgot my glasses.

4 **PRESIDING COMMISSIONER BIGGERS:** You forgot your  
5 glasses. You forgot to bring your purse or something.

6 **ATTORNEY KELLY:** (Inaudible).

7 **INMATE GZIKOWSKI:**

8 "The Americans With Disabilities Act, ADA,  
9 is a law to help people with disabilities.  
10 Disabilities are problems that make it  
11 harder for some people to see, hear,  
12 breathe, talk, walk, learn, think, work or  
13 take care of themselves than it is for  
14 others. Nobody can be kept out of public  
15 places or activities because of a  
16 disability. If you have a disability, you  
17 have the right to ask for help to get  
18 ready for your BPT hearing, get to the  
19 hearing, talk, read forms and papers and  
20 understand the hearing process. BPT will  
21 look at what you asked for to make sure  
22 you have a disability that is covered by  
23 the ADA and that you have asked for the  
24 right kind of help. If you do not get  
25 help or if you don't think you got the  
26 kind of help you need, ask for a BPT 1074  
27 Grievance Form. You can also get help to

1 fill it out."

2 **PRESIDING COMMISSIONER BIGGERS:** You understand  
3 what you read? You read it pretty fast.

4 **INMATE GZIKOWSKI:** Yes, I understand.

5 **PRESIDING COMMISSIONER BIGGERS:** You do?

6 **INMATE GZIKOWSKI:** Yes.

7 **PRESIDING COMMISSIONER BIGGERS:** I see that you  
8 signed a BPT Form 1073 on September 20, 2006. Is that  
9 information still correct?

10 **INMATE GZIKOWSKI:** Yes, it is.

11 **PRESIDING COMMISSIONER BIGGERS:** Indicated that  
12 you had no BP -- no ADA issues.

13 **INMATE GZIKOWSKI:** That's right.

14 **PRESIDING COMMISSIONER BIGGERS:** You wear  
15 glasses?

16 **INMATE GZIKOWSKI:** Yeah, I have a prescription.  
17 I'm nearsighted.

18 **PRESIDING COMMISSIONER BIGGERS:** Nearsighted.  
19 Do you feel that's going to hinder in reading documents  
20 today?

21 **INMATE GZIKOWSKI:** No.

22 **PRESIDING COMMISSIONER BIGGERS:** You have any  
23 hearing impairments?

24 **INMATE GZIKOWSKI:** No, I don't.

25 **PRESIDING COMMISSIONER BIGGERS:** You ever been  
26 included in Triple CMS or EOP?

27 **INMATE GZIKOWSKI:** No.

1           **PRESIDING COMMISSIONER BIGGERS:** You know what  
2 those are?

3           **INMATE GZIKOWSKI:** Yes.

4           **PRESIDING COMMISSIONER BIGGERS:** What are they?

5           **INMATE GZIKOWSKI:** They're psychotropic  
6 medications.

7           **PRESIDING COMMISSIONER BIGGERS:** Have you ever  
8 taken any psychotropic medication?

9           **INMATE GZIKOWSKI:** No.

10          **PRESIDING COMMISSIONER BIGGERS:** How far did you  
11 get in school in the streets?

12          **INMATE GZIKOWSKI:** Twelfth grade, a graduate  
13 from high school.

14          **PRESIDING COMMISSIONER BIGGERS:** Do you suffer  
15 from any disability that would prevent you from  
16 participating in today's hearing?

17          **INMATE GZIKOWSKI:** No.

18          **PRESIDING COMMISSIONER BIGGERS:** Are you a  
19 little upset this morning?

20          **INMATE GZIKOWSKI:** No.

21          **PRESIDING COMMISSIONER BIGGERS:** I just want to  
22 make sure. You seem like (inaudible). Something  
23 bugging you?

24          **INMATE GZIKOWSKI:** No.

25          **PRESIDING COMMISSIONER BIGGERS:** Okay. I'm  
26 going to ask your attorney then, does she feel that  
27 your ADA rights have been met?

1           **ATTORNEY KELLY:** Yes.

2           **PRESIDING COMMISSIONER BIGGERS:** This hearing's  
3 being conducted pursuant to Penal Code section 3041 and  
4 3042 and the rules and regulations of the Board of  
5 Prison Terms governing parole consideration hearings  
6 for life inmates. The purpose of today's hearing is to  
7 once again consider the number and the nature of the  
8 crime you were committed for, your prior criminal and  
9 social history and your behavior and programming since  
10 your commitment. We've had the opportunity to review  
11 your Central File and your transcript and you'll be  
12 given the opportunity to correct or clarify the record.  
13 We will reach a decision today and inform you whether  
14 or not we find you suitable for parole and the reason  
15 for our decision. If you are found suitable for  
16 parole, the length of your confinement will be  
17 explained to you. Nothing that happens here today will  
18 change the finding of the court. This Panel is not  
19 here to retry your case. This Panel's here for the  
20 sole purpose of determining your suitability for  
21 parole. Do you understand that?

22           **INMATE GZIKOWSKI:** Yes.

23           **PRESIDING COMMISSIONER BIGGERS:** The hearing's  
24 going to be conducted in two phases. I will discuss  
25 with you the crime you were committed -- your prior  
26 criminal and social history. Deputy Commissioner  
27 Bentley will then go over your post-conviction factors,

1 your psychological evaluation and any parole plans and  
2 3042 Notices. Once that is concluded, Commissioners,  
3 the District Attorney and then your attorney will be  
4 given the opportunity to ask you questions. Questions  
5 from the District Attorney shall be asked through the  
6 Chair and you will direct your answers to the Panel and  
7 not to the District Attorney. Next the District  
8 Attorney, then your attorney and then you will be given  
9 an opportunity to make a final statement regarding your  
10 parole suitability. Your statement should address why  
11 you feel you're suitable for parole. The Panel will  
12 then recess, clear the room and deliberate. Once the  
13 deliberations are complete, the Panel will resume the  
14 hearing and announce its decision. Now the California  
15 Code of Regulations states that regardless of time  
16 served a life inmate shall be found unsuitable for and  
17 denied parole if in the judgment of the Panel the  
18 inmate would pose an unreasonable risk of danger to  
19 society if released from prison. You have certain  
20 rights. Those rights include a right of the timely  
21 notice of this hearing, the right to review your  
22 Central File, and I see that you declined to review  
23 your Central File. Is there a reason for that, sir?

24 **INMATE GZIKOWSKI:** None in particular. I've  
25 been through it so many times.

26 **PRESIDING COMMISSIONER BIGGERS:** You also have  
27 the right to present relevant documents. And I'm going

1 to ask your attorney, not at this point to present the  
2 documents, do you have -- feel that your rights have  
3 been met?

4 **ATTORNEY KELLY:** I do not feel my client's  
5 rights have been met at all.

6 **PRESIDING COMMISSIONER BIGGERS:** Okay. That's  
7 fine.

8 **ATTORNEY KELLY:** I have several objections.  
9 I'll start with the fact that I had an appointment to  
10 meet with Mr. Gzikowski this morning. When I showed  
11 up, I was told that I couldn't see him at all and that  
12 the hearing was being postponed. Only after major  
13 objections to your Warden was I given approximately 15  
14 minutes behind glass to meet Mr. Gzikowski, which is  
15 not sufficient. But I do not want another  
16 postponement. There are several other objections I  
17 want in this record. Number one, we showed up for a  
18 hearing here in 2005 at which point we were promised  
19 that there would be an investigation of the  
20 confidential file because there was a finding of  
21 suitability and it was then overturned after -- based  
22 on a confidential file. When we showed up, nobody  
23 bothered to read anything. I understand again today  
24 that despite my effort in providing a memorandum to  
25 this Board that nobody's read it. It's not been given  
26 to you. I have copies here and I would ask you to  
27 review them because it's essential. I believe that

1 you're here to do your job and I want you to be able to  
2 do it. But if I give you information, and this is the  
3 second time, and nobody bothers to read it, how can you  
4 do your job and why am I even trying?

5 **PRESIDING COMMISSIONER BIGGERS:** Well first of  
6 all, before you start, in the way of confidential  
7 information, when we get to the point in the hearing  
8 when we will outline it that we do have confidential  
9 information, if we use it, then we will let you know  
10 that we have used the confidential information.

11 **ATTORNEY KELLY:** That's not the point.

12 **PRESIDING COMMISSIONER BIGGERS:** Hang on. There  
13 was also an investigation done and we do have a copy of  
14 the investigation.

15 **ATTORNEY KELLY:** Okay. I had requested that I  
16 be given copies of the transcript of the prior hearing.  
17 I've never received that. I asked for a copy of the  
18 investigator's report that Mr. Lee promised us at the  
19 time we were postponed for 15 months. I never received  
20 that. I asked also for a copy of the report showing  
21 that the parole plans had been investigated thoroughly  
22 when Mr. Gzikowski was found suitable in 2004. I never  
23 received any of the above. So things that are normally  
24 provided have not been provided in this case. And that  
25 troubles me greatly. I also would point out that there  
26 was a finding of suitability and the reversal was based  
27 on this confidential file. So how we got to where we

11

1 are today is we came back after the finding of the  
2 suitability and we never had a hearing in October of  
3 '05. What we had was a postponement to today and a  
4 promise to investigate. The only thing before this  
5 Board, the only thing that we're prepared to talk about  
6 today is whether or not there's any information in that  
7 file that would really in fact overturn the prior  
8 finding of suitability. To go back to square one at  
9 this point I would object to strenuously.

10 **PRESIDING COMMISSIONER BIGGERS:** Well first of  
11 all, that hearing that was done in 2004 was done by a  
12 different Panel and we're not -- we are -- whenever you  
13 have a new hearing, it's just like that hearing never  
14 -- never took place. So we are going to go back to  
15 square one.

16 **ATTORNEY KELLY:** Well my objection is on the  
17 record. We -- To talk about a crime that happened over  
18 28 years ago frankly seems absurd at this point.  
19 Whatever he's done, he's acknowledged way back when.  
20 And what we would like to talk about is what it is that  
21 is keeping this man in prison after 28 years on a  
22 sentence of --

23 **PRESIDING COMMISSIONER BIGGERS:** We're going to  
24 go through the hearing just as if -- It's a brand new  
25 hearing now. Your objections are noted. Let's take a  
26 five minute recess real quick.

27 **ATTORNEY KELLY:** Could I give you the copies --

12

1           **PRESIDING COMMISSIONER BIGGERS:** Yes, you can.

2           **ATTORNEY KELLY:** -- to read. I actually have  
3 three copies so that the District Attorney could read  
4 it as well. And I apologize, my staple came out of the  
5 last one. But may I approach?

6           **PRESIDING COMMISSIONER BIGGERS:** Sure.

7           **ATTORNEY KELLY:** If you could just kind of hold  
8 it together. Thank you.

9           **PRESIDING COMMISSIONER BIGGERS:** Okay. You can  
10 take him out (inaudible).

11           **ATTORNEY KELLY:** Did you want us to step out  
12 while you're doing this?

13           **PRESIDING COMMISSIONER BIGGERS:** Please.  
14 Please. All of you please.

15                               [Off the record]

16           **DEPUTY COMMISSIONER BENTLEY:** Back on record.

17           **PRESIDING COMMISSIONER BIGGERS:** Okay. Let the  
18 record reflect that everyone that was in the room prior  
19 to us going into a short recess are now back in the  
20 room. (Inaudible) recess because I wanted to just go  
21 and check on a few things through my Title 15. Let me  
22 just address some of your objections, ma'am. First of  
23 all on the transcript. The transcript is sent to the  
24 inmate. And you could have gotten it from the inmate  
25 or you could purchase one from Sacramento. As to the  
26 investigation, the investigation was in fact done. And  
27 it has been placed in the confidential folder. And the

1 material that they found through the investigation  
2 indicated that the letters did not appear to be  
3 (inaudible). On the prior Panel, Title 15 indicates  
4 that new Panels are not bound by previous decisions.  
5 As for the institution, they have certain rules and  
6 regulations that we don't get involved with as to who  
7 they allow in and the method in which they allow people  
8 in. So I think that covers all of your objections at  
9 this point. Okay.

10 **ATTORNEY KELLY:** Just for the record, my client  
11 did not receive the transcript.

12 **PRESIDING COMMISSIONER BIGGERS:** Okay.

13 **ATTORNEY KELLY:** It was not received by him and  
14 I have been at many parole hearings and it's also  
15 provided to the attorney. If there's a transcript, I'd  
16 certainly like the opportunity to review it. He has  
17 not received that and I think that, you know, the rules  
18 are not being followed and that's what's troubling me  
19 so much about this hearing. But we'll get more into  
20 that. I have some sections of the Title that I'd be  
21 happy to get into now if you wish.

22 **PRESIDING COMMISSIONER BIGGERS:** (Inaudible).

23 **ATTORNEY KELLY:** I suggest you look at CCR 3316  
24 that says the inmate may request the presence of a  
25 witness at the hearing who can present facts related to  
26 charges against him. If the prior Board -- And I  
27 assume this Board is going to be looking at the

14

1 confidential file, it's like putting us in a fighting  
2 ring blindfolded, I have no idea. We can only surmise  
3 what it is that the objections are to his release.  
4 Mr. Gzikowski did a lengthy dissertation on what he  
5 believed was in that file, which I presented several  
6 months ago. It went to the Parole Board when Mr. Lee  
7 was still involved. That was mailed, hold on a minute,  
8 many, many months ago so that there'd be ample  
9 opportunity for the review. It troubles me greatly  
10 that these things are not in there. July 23, 2006 I  
11 mailed this to the Parole Board in Sacramento and asked  
12 that it be reviewed. How is it that we showed up here  
13 15 months ago, nobody reading the file and here we are  
14 today and nobody gave you the file. I'm not  
15 criticizing you. I'm sure you're trying to do a fair  
16 and adequate job, but I'm doing what I'm supposed to  
17 do. And the information is not being provided. That's  
18 very troublesome. And it's a clear objection. The  
19 last -- excuse me. Following the last hearing, the  
20 real issue came up is confidential information and  
21 parole plans. And it seems like the crux of the  
22 problem was this confidential file. And again, we're  
23 in the dark there. I'll get into more argument later.  
24 I would point out that subsection 3321 of Title 15 also  
25 says -- subsection B1 -- no decision shall be based  
26 upon information from a confidential source unless  
27 other documentation corroborates information. You can

1 read that section. But it's pretty clear on that.

2 PRESIDING COMMISSIONER BIGGERS: (Inaudible) go  
3 ahead.

4 DEPUTY COMMISSIONER BENTLEY: (Inaudible) this.

5 PRESIDING COMMISSIONER BIGGERS: Yes, please.

6 DEPUTY COMMISSIONER BENTLEY: We have not ruled  
7 that we're going to use any confidential information.

8 ATTORNEY KELLY: It was the reason --

9 DEPUTY COMMISSIONER BENTLEY: Why don't you --

10 ATTORNEY KELLY: Okay.

11 DEPUTY COMMISSIONER BENTLEY: -- make those  
12 objections if we say we're going to use them?

13 PRESIDING COMMISSIONER BIGGERS: (Inaudible).

14 ATTORNEY KELLY: Okay. Do you want to tell me  
15 now so we can go forward?

16 PRESIDING COMMISSIONER BIGGERS: No, we'll get  
17 to it in just a second. You have any other questions  
18 (inaudible)?

19 ATTORNEY KELLY: I'm sure I will be.

20 PRESIDING COMMISSIONER BIGGERS: I'm sure you  
21 will too.

22 ATTORNEY KELLY: You know, but we can get into  
23 that argument if you want to proceed, fine. I just  
24 feel very strongly that going back over --

25 PRESIDING COMMISSIONER BIGGERS: This is a new  
26 hearing, ma'am. I mentioned that to you once before.

27 ATTORNEY KELLY: My objection is stated.

1           **PRESIDING COMMISSIONER BIGGERS:** Well, you know,  
2 first of all, we're not going to get into an argument  
3 at this point. We understand that you have a vested  
4 interest in this situation as well. And I think we  
5 should put that on the record. Okay. So now --

6           **ATTORNEY KELLY:** I never kept that -- I've never  
7 suggested otherwise.

8           **PRESIDING COMMISSIONER BIGGERS:** Well, I'm  
9 putting on the record that you have. And we're going  
10 to proceed.

11          **ATTORNEY KELLY:** It's in my brief and everything  
12 else I've ever --

13          **PRESIDING COMMISSIONER BIGGERS:** Ma'am, we're  
14 going to proceed.

15          **ATTORNEY KELLY:** That's fine.

16          **PRESIDING COMMISSIONER BIGGERS:** Thank you,  
17 ma'am. Now, Mr. Gzikowski, you are not required to  
18 admit your offense or discuss your offense. However,  
19 the Panel does accept the findings of the court to be  
20 true. Do you understand this?

21          **INMATE GZIKOWSKI:** Yes.

22          **PRESIDING COMMISSIONER BIGGERS:** Okay. Now I'm  
23 going to ask the Deputy Commissioner if any  
24 confidential material will be used?

25          **DEPUTY COMMISSIONER BENTLEY:** There is  
26 confidential material, and if we use it, we will so  
27 advise.

1           **PRESIDING COMMISSIONER BIGGERS:** Thank you. I'm  
2 going to pass -- I'm going to ask the officer to come  
3 up. I'm going to pass to the District Attorney and to  
4 your attorney, sir, what I'm going to mark as Exhibit  
5 One, which is a copy of the parole consideration  
6 hearing checklist to ensure that we're all operating --  
7 all operating off the same set of documents.

8           **ATTORNEY KELLY:** We're not -- We haven't seen  
9 the last hearing transcript.

10          **PRESIDING COMMISSIONER BIGGERS:** Noted. Pass it  
11 over to the District Attorney please.

12          **DEPUTY DISTRICT ATTORNEY UNDERWOOD:**  
13 Commissioner, I have two lists. I had two packets that  
14 I received.

15          **PRESIDING COMMISSIONER BIGGERS:** There are two  
16 packages.

17          **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** And the  
18 first packet, if I may show the Commissioner.

19          **PRESIDING COMMISSIONER BIGGERS:** Sure.

20          **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** Is one set  
21 of lists. And then this is the -- this one I agree --  
22 but I just wanted you to know that I had another list  
23 as well. If I may approach?

24          **DEPUTY COMMISSIONER BENTLEY:** (Inaudible).

25          **PRESIDING COMMISSIONER BIGGERS:** Please.

26          **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** If you  
27 would like. I didn't know if that would make a

1 difference or not. Here's the list. And then I had a  
2 first file.

3 **PRESIDING COMMISSIONER BIGGERS:** That first file  
4 didn't have anything on it. It was just -- They put  
5 this on all of (inaudible) they didn't check -- make  
6 any checks on it at all.

7 **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** I thought  
8 the top boxes were checked. (Inaudible). All right.

9 **PRESIDING COMMISSIONER BIGGERS:** Thank you.

10 **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** Thank you.

11 **PRESIDING COMMISSIONER BIGGERS:** At this point,  
12 do you have any additional documents?

13 **ATTORNEY KELLY:** Yes, I do. I have additional  
14 petitions, we probably have about several file boxes of  
15 these, but we have more. And I have copies of letters  
16 that were sent out searching for our parole -- job.

17 **PRESIDING COMMISSIONER BIGGERS:** Thank you.  
18 (Inaudible) please. Do you have any other preliminary  
19 objections?

20 **ATTORNEY KELLY:** I'm sorry, I didn't --

21 **PRESIDING COMMISSIONER BIGGERS:** Any preliminary  
22 objections?

23 **ATTORNEY KELLY:** Not at this point.

24 **PRESIDING COMMISSIONER BIGGERS:** Other than the  
25 ones that you stated?

26 **ATTORNEY KELLY:** I think I've stated them.

27 **PRESIDING COMMISSIONER BIGGERS:** Thank you.

1 Will your client be speaking to the Panel, ma'am?

2 **ATTORNEY KELLY:** I believe he will.

3 **PRESIDING COMMISSIONER BIGGERS:** Thank you.

4 Please raise your right hand as best as you can please,  
5 sir. Do you solemnly swear or affirm that the  
6 testimony you give at this hearing will be the truth  
7 and nothing by the truth?

8 **INMATE GZIKOWSKI:** Yes.

9 **PRESIDING COMMISSIONER BIGGERS:** Thank you. I'm  
10 going to read into the record Statement Of Facts from  
11 the probation officer's report.

12 "On April 20, 1978 at approximately 1:30  
13 a.m. defendant was a passenger -- we'll  
14 call him in the inmate -- was a passenger  
15 in a pickup truck being driven by  
16 codefendant Raul -- and I'll spell the  
17 last name -- V-I-L-L-A-S-E-N-O-R, when  
18 they drove up beside the victim's 1968  
19 Cadillac which was parked on Market Street  
20 just east of Seventh. Several witnesses  
21 saw the inmate raise a shotgun and fire  
22 three shots at the two victims in the  
23 Cadillac. Raymond Velonza, V-E-L-O-N-Z-A,  
24 and Gary Orasis, O-R-A-S-I-S, each  
25 suffered (inaudible) wound to the head and  
26 died instantly. Immediately after the  
27 shooting, the codefendant accelerated his

20

1 truck and drove east on Market to Sixth  
2 when he turned right. An officer in a  
3 patrol car on Jones and Market Street  
4 heard the gunshot and drove down Market in  
5 pursuit of the defendants. On Mission  
6 Street the defendant's truck turned right  
7 and headed west to about mid-block when he  
8 turned into a parking lot, followed by two  
9 patrol cars which effected a stop of the  
10 truck. Defendant was ordered out of the  
11 vehicle and placed under arrest. The  
12 shotgun was seized and a search of the --  
13 inside the truck cab revealed a loaded .38  
14 revolver inside the driver's seat."

15 That pretty much what took place, sir?

16 **INMATE GZIKOWSKI:** Yes.

17 **PRESIDING COMMISSIONER BIGGERS:** Okay. I have a  
18 couple of questions about that. When they first  
19 stopped you, okay, why did you go back?

20 **INMATE GZIKOWSKI:** When they first --

21 **PRESIDING COMMISSIONER BIGGERS:** After you went  
22 home, right?

23 **INMATE GZIKOWSKI:** No. You mean the crime?

24 **PRESIDING COMMISSIONER BIGGERS:** Yes.

25 **INMATE GZIKOWSKI:** Anger.

26 **PRESIDING COMMISSIONER BIGGERS:** Anger?

27 **INMATE GZIKOWSKI:** Yeah, a rush to judgment.

1 False pride, false ego. Inability to control my  
2 initial responses.

3 **PRESIDING COMMISSIONER BIGGERS:** Because in  
4 reading the -- not only the transcript but reading the  
5 history in your file, you indicated you were worried  
6 about the safety of your family.

7 **INMATE GZIKOWSKI:** I was.

8 **PRESIDING COMMISSIONER BIGGERS:** What made your  
9 car so different from any of the other cars?

10 **INMATE GZIKOWSKI:** It was a '75 Chevy hotrod.

11 **PRESIDING COMMISSIONER BIGGERS:** That was the  
12 only one like that in San Francisco?

13 **INMATE GZIKOWSKI:** Just about, yeah. And they  
14 did mention it. But you know, while all that's  
15 relevant --

16 **PRESIDING COMMISSIONER BIGGERS:** Excuse me?

17 **INMATE GZIKOWSKI:** While all that is relevant,  
18 the real reason is that I made a rush to judgment and I  
19 had an incorrect response which I should have called  
20 the authorities. That's the bottom line. We can talk  
21 all day about social circumstances, my being  
22 unemployed, my not wanting to ask my relatives for  
23 help, all that (inaudible) relevant in my mind, but the  
24 bottom line is I committed the crime, I was guilty and  
25 I made an incorrect decision which forever changed the  
26 lives of the victims. And let me -- let me go back to  
27 that. The victims had an extensive criminal history

1 too. I believe one was out on bail.

2 **PRESIDING COMMISSIONER BIGGERS:** Well what does  
3 that have to do with the crime, sir?

4 **INMATE GZIKOWSKI:** Because when he threatened  
5 me, I understood where they were coming from. I  
6 related to them and I responded in kind to their  
7 actions.

8 **PRESIDING COMMISSIONER BIGGERS:** But what does  
9 it have to do with you going back there?

10 **INMATE GZIKOWSKI:** It doesn't.

11 **PRESIDING COMMISSIONER BIGGERS:** Then why did  
12 you bring it up?

13 **INMATE GZIKOWSKI:** Because it's never been  
14 mentioned before. Since we're rehashing -- Since I am  
15 being (inaudible) forced to go back to day one in this  
16 hearing here, let's get it all out. I didn't kill two  
17 priests. I killed two criminals.

18 **PRESIDING COMMISSIONER BIGGERS:** Doesn't matter.  
19 You still killed two individuals.

20 **INMATE GZIKOWSKI:** And I'm -- And I've held  
21 myself responsible for it ever since. I've done 28  
22 years in prison. I can't change what I did. I can't  
23 change it. I wish I could but I can't. I've never  
24 denied the responsibility for this crime, ever. Ever.  
25 I was sentenced to death. I didn't try to save my own  
26 life. I took the stand, told everybody I killed them  
27 and why. And here I am 28 years later. I'm still

1 being forced to relive what I did 28 years ago.

2 **PRESIDING COMMISSIONER BIGGERS:** That's the  
3 process, sir.

4 **INMATE GZIKOWSKI:** That's the process. When is  
5 it going to stop? When do I get out of prison? When  
6 do I go home? When can I have my life back? I've  
7 worked so hard. I've worked so hard.

8 **PRESIDING COMMISSIONER BIGGERS:** All right.  
9 We're not -- Okay. You claim that you were in danger  
10 and you were worried about your daughter and then you  
11 were under stress. This is what I read in the file.  
12 And now you're saying that was not the issue?

13 **INMATE GZIKOWSKI:** No, that wasn't the issue.

14 **PRESIDING COMMISSIONER BIGGERS:** Okay. When did  
15 you suddenly decide that that wasn't? When did you  
16 change your story? Because everything that I read up  
17 until, you know, several years ago it was because of  
18 those things.

19 **INMATE GZIKOWSKI:** It was because -- I'm trying  
20 -- I'm trying to connect with you. In 1978 those were  
21 the issues, but the bottom line is I committed the  
22 crime.

23 **PRESIDING COMMISSIONER BIGGERS:** Understand  
24 that, sir.

25 **INMATE GZIKOWSKI:** And that's all I'm trying to  
26 say to you. The bottom line is I committed the crime  
27 and I'm holding myself responsible for it.

1           **PRESIDING COMMISSIONER BIGGERS:** Sir, we're well  
2 aware of that. What I'm trying to find out is your  
3 rationale and your thinking --

4           **INMATE GZIKOWSKI:** My rationale in 1978 --

5           **PRESIDING COMMISSIONER BIGGERS:** Let me finish  
6 please.

7           **INMATE GZIKOWSKI:** Yes.

8           **PRESIDING COMMISSIONER BIGGERS:** Your rationale  
9 and why you did this so that when I start talking about  
10 the causative factors which led you to do that, that I  
11 can weigh all of those odds. Okay. I understand that  
12 you have taken full responsibility for that. Now, you  
13 indicated that those individuals that you shot were  
14 criminals, is that -- so are you telling me you didn't  
15 have any remorse for them because they were in fact  
16 criminals?

17           **INMATE GZIKOWSKI:** No.

18           **PRESIDING COMMISSIONER BIGGERS:** Describe your  
19 feelings of remorse towards the victims.

20           **INMATE GZIKOWSKI:** When I was in trial when I  
21 was getting sentenced to death, their grandfather's in  
22 court. And I'll never forget that look on his face.  
23 I'll never forget the look on his face and the faces of  
24 all the relatives. I'll never forget the look on my  
25 wife's face. I'll never forget the look on the court's  
26 face. I carry those memories everyday of my life. To  
27 sit in front of you trying to explain remorse would be

1 combining the last 28 years in a five or 10 second  
2 statement, I can't do that. All I can do is everyday  
3 of my life try to show that I am suitable for parole  
4 and I can be trusted. And I've done everything within  
5 my capacity to do that during my incarceration.

6 **PRESIDING COMMISSIONER BIGGERS:** You a member of  
7 the Hell's Angels also. Is that correct?

8 **INMATE GZIKOWSKI:** Yes.

9 **PRESIDING COMMISSIONER BIGGERS:** And you  
10 indicated back in '98 that you would always be a member  
11 of the Hells Angels.

12 **INMATE GZIKOWSKI:** Yes.

13 **PRESIDING COMMISSIONER BIGGERS:** Is that  
14 correct? Is that your feeling today?

15 **INMATE GZIKOWSKI:** Yes.

16 **PRESIDING COMMISSIONER BIGGERS:** And you also  
17 stated that the -- this crime had nothing to do with  
18 the gang affiliation?

19 **INMATE GZIKOWSKI:** It had nothing to do with it.

20 **PRESIDING COMMISSIONER BIGGERS:** But earlier you  
21 mentioned that you had anger and you had pride and  
22 stuff. Where did that all that come from if it was not  
23 part of the --

24 **INMATE GZIKOWSKI:** Things -- Things from my  
25 prior criminal conviction when I did time in Illinois.

26 **PRESIDING COMMISSIONER BIGGERS:** So you're  
27 saying that pride that you had, had nothing to do with

1 And you indicated that you wondered when you're going  
2 to get your life back, right. Well when is Mr. Velonza  
3 and Mr. Orasis -- they don't get a life back.

4 **INMATE GZIKOWSKI:** They never will. And there's  
5 nothing I can do about that now. But my point is, how  
6 can I convey to you of my remorse within this setting.  
7 I can't give their lives back. I can't do anything to  
8 take back what I did. I wish I could but I can't.

9 **DEPUTY COMMISSIONER BENTLEY:** Okay. Those are  
10 the only questions I had.

11 **PRESIDING COMMISSIONER BIGGERS:** All right.  
12 Thank you. I'm going to move to your social history at  
13 this point, sir. You were born May 24, 1950.

14 **INMATE GZIKOWSKI:** Yes.

15 **PRESIDING COMMISSIONER BIGGERS:** In Pittsburg,  
16 Pennsylvania to Joseph and Anna?

17 **INMATE GZIKOWSKI:** Yes.

18 **PRESIDING COMMISSIONER BIGGERS:** Okay. Your  
19 parents, are they still living?

20 **INMATE GZIKOWSKI:** No, they died in 1996.

21 **PRESIDING COMMISSIONER BIGGERS:** You had a  
22 brother?

23 **INMATE GZIKOWSKI:** Yes.

24 **PRESIDING COMMISSIONER BIGGERS:** Okay. You also  
25 (inaudible) joined the Marine Corps. What was your  
26 MOS?

27 **INMATE GZIKOWSKI:** Zero three 11.

1           **PRESIDING COMMISSIONER BIGGERS:** Okay. You were  
2 discharged two years later in 1970.

3           **INMATE GZIKOWSKI:** Yes.

4           **PRESIDING COMMISSIONER BIGGERS:** Did you get an  
5 honorable discharge?

6           **INMATE GZIKOWSKI:** Yes.

7           **PRESIDING COMMISSIONER BIGGERS:** And then you  
8 had two -- you were sent to Illinois State Prison in  
9 July 1972. Is that correct?

10          **INMATE GZIKOWSKI:** Yes.

11          **PRESIDING COMMISSIONER BIGGERS:** We'll get into  
12 that a little bit later on. I see here also that you  
13 say that you haven't been involved in drugs. Is that  
14 correct?

15          **INMATE GZIKOWSKI:** At the time, yes.

16          **PRESIDING COMMISSIONER BIGGERS:** You were or you  
17 were not?

18          **INMATE GZIKOWSKI:** I was not.

19          **PRESIDING COMMISSIONER BIGGERS:** I read in your  
20 files where you said you've never taken drugs but --

21          **INMATE GZIKOWSKI:** I've never taken drugs.

22          **PRESIDING COMMISSIONER BIGGERS:** -- sold drugs.

23          **INMATE GZIKOWSKI:** Sold it.

24          **PRESIDING COMMISSIONER BIGGERS:** You were  
25 married August 1978 while you were in custody in the  
26 county jail.

27          **INMATE GZIKOWSKI:** Yes.

1           **PRESIDING COMMISSIONER BIGGERS:** And you all  
2 lived together since 1974 and you have a daughter  
3 Crystal.

4           **INMATE GZIKOWSKI:** Yes.

5           **PRESIDING COMMISSIONER BIGGERS:** Okay. And she  
6 was born in '76. You and your wife were divorced in  
7 1981. Then you married Miss Kathleen Romas (phonetic)  
8 in 1985.

9           **INMATE GZIKOWSKI:** Yes.

10          **PRESIDING COMMISSIONER BIGGERS:** And she has two  
11 children. Do you keep in contact with your children?

12          **INMATE GZIKOWSKI:** No, I don't.

13          **ATTORNEY KELLY:** Just for the record, he only  
14 has one child.

15          **PRESIDING COMMISSIONER BIGGERS:** One child but I  
16 would assume if he married this lady (inaudible).

17          **ATTORNEY KELLY:** It was during prison.

18          **PRESIDING COMMISSIONER BIGGERS:** Okay. So just  
19 -- you only have one child?

20          **INMATE GZIKOWSKI:** Yes.

21          **PRESIDING COMMISSIONER BIGGERS:** And you don't  
22 keep in contact with them?

23          **INMATE GZIKOWSKI:** No.

24          **PRESIDING COMMISSIONER BIGGERS:** Okay. Is there  
25 anything I left out -- your social history that you'd  
26 like to put on the record, sir?

27          **INMATE GZIKOWSKI:** No.

1           **PRESIDING COMMISSIONER BIGGERS:** You have any  
2 questions?

3           **DEPUTY COMMISSIONER BENTLEY:** No, I don't.

4           **PRESIDING COMMISSIONER BIGGERS:** Let's look at  
5 your priors. You had no juvenile record. And under  
6 your adult convictions you were -- in 1971 you were  
7 arrested and found guilty of two counts of selling a  
8 controlled substance.

9           **INMATE GZIKOWSKI:** Yes.

10          **PRESIDING COMMISSIONER BIGGERS:** And you were  
11 sentenced to Illinois State Prison for one and a half  
12 to three years. And in '73 you were paroled to  
13 California and you were discharged in 1975. Is that  
14 correct?

15          **INMATE GZIKOWSKI:** Yes.

16          **PRESIDING COMMISSIONER BIGGERS:** You had a  
17 reckless driving in '75 in California, vandalism in  
18 '77, driving with a suspended license in '77 in San  
19 Francisco and Reno. And then the current offense. Is  
20 that correct?

21          **INMATE GZIKOWSKI:** Yes.

22          **PRESIDING COMMISSIONER BIGGERS:** Is there  
23 anything I left out on your adult priors?

24          **INMATE GZIKOWSKI:** No.

25          **PRESIDING COMMISSIONER BIGGERS:** Counsel, is  
26 there anything you want to add to either one of those,  
27 the social or the priors?

31

1           **ATTORNEY KELLY:** No.

2           **PRESIDING COMMISSIONER BIGGERS:** Okay. Thank  
3 you. At this point then I'm going to ask Deputy  
4 Commissioner Bentley to go over your post-conviction  
5 factors.

6           **DEPUTY COMMISSIONER BENTLEY:** Okay. As we  
7 discussed, your last Board hearing was September 7,  
8 2004. You had a couple scheduled in the meantime but  
9 they've had (inaudible) postponed. You came in on your  
10 life sentence in February of '85 and you've been here  
11 at Ironwood since January 2004. Your classification is  
12 currently 28 which is the lowest you can receive. And  
13 you have on your life term four 115's and the last one,  
14 as has been mentioned, was February 14, 2003 which was  
15 excessive contact. And you've had only two counseling  
16 chronos and those are really going clear back to '81  
17 (inaudible) part of the life term. You've done a good  
18 job upgrading vocationally. You've got over 3,000  
19 hours in Machine Repair. Would you say that that's  
20 still current and real marketable? It was 2000 and  
21 (inaudible) --

22           **INMATE GZIKOWSKI:** Yes, Ma'am.

23           **DEPUTY COMMISSIONER BENTLEY:** -- certificate.  
24 Okay. And then also you're an Apprentice Welder.

25           **INMATE GZIKOWSKI:** I'm a journeyman now.

26           **DEPUTY COMMISSIONER BENTLEY:** A journeyman?

27           **INMATE GZIKOWSKI:** Yes, Ma'am.

1           **DEPUTY COMMISSIONER BENTLEY:** Okay. And you  
2 still have your license in that?

3           **INMATE GZIKOWSKI:** Yes, I graduated from the  
4 Apprenticeship Program in DVI.

5           **DEPUTY COMMISSIONER BENTLEY:** Okay.

6           **INMATE GZIKOWSKI:** I was the last one to get it.

7           **DEPUTY COMMISSIONER BENTLEY:** All right. And so  
8 you have a couple of very marketable skills.

9           **INMATE GZIKOWSKI:** Yes, Ma'am.

10          **DEPUTY COMMISSIONER BENTLEY:** Okay. And your  
11 work assignments, are you still a Porter?

12          **INMATE GZIKOWSKI:** Yes, Ma'am.

13          **DEPUTY COMMISSIONER BENTLEY:** Okay. And you've  
14 been getting average to above average work reports. I  
15 noticed that back in '89 you were involved in  
16 self-help.

17          **INMATE GZIKOWSKI:** Yes, Ma'am.

18          **DEPUTY COMMISSIONER BENTLEY:** And then in the  
19 '90s you were in some of the counseling programs that  
20 they had to offer at that time. I've noticed you've  
21 taken college courses. How many credits do you have?

22          **INMATE GZIKOWSKI:** I can't remember. I took a  
23 Business Management course and another one, it was,  
24 just a couple, it was Cultural Anthropology. Those are  
25 the only ones I've taken.

26          **DEPUTY COMMISSIONER BENTLEY:** Okay. All right.  
27 And what do you do in your spare time?

1           **INMATE GZIKOWSKI:** Write letters and read.

2           **DEPUTY COMMISSIONER BENTLEY:** Okay.

3           **INMATE GZIKOWSKI:** And exercise.

4           **DEPUTY COMMISSIONER BENTLEY:** All right.

5       Because I didn't see -- going back in the '90s there  
6       were a lot of programs you were involved in. Is there  
7       not anything available here?

8           **INMATE GZIKOWSKI:** Well again we go back to why  
9       I'm here. I was -- I assumed that I was just coming  
10      back to resolve the confidential information and the  
11      parole plans and I wasn't suspected anything --  
12      expecting any of this and I was told at the last  
13      hearing I was on hold until they resolved the  
14      confidential information.

15           **DEPUTY COMMISSIONER BENTLEY:** Well, you were  
16      misinformed because that, through the en banc process,  
17      was overturned and so that decision was disapproved  
18      (inaudible) decision, so that's why we're having the  
19      new hearing today. But even -- you are given a date,  
20      you never know what's going to happen, I know the last  
21      Panel cautioned you on this, it goes through an  
22      extensive review, including the Governor. So it is  
23      always helpful if you continue to program in a positive  
24      manner. Let's see now, you were married twice before  
25      you came in and then you got married in 1989 to  
26      (inaudible) Rawlins.

27           **INMATE GZIKOWSKI:** (Inaudible).

1           **DEPUTY COMMISSIONER BENTLEY:** (Inaudible). And  
2     how did you meet her?

3           **INMATE GZIKOWSKI:** Through letters, she was at a  
4     friend's house and I called one day.

5           **DEPUTY COMMISSIONER BENTLEY:** Okay. And then  
6     that didn't last very long.

7           **INMATE GZIKOWSKI:** No. What happened was, we  
8     were on a family visit and I was watching a football  
9     game and she asked me if this was all there was, and I  
10    said, yes, it is.

11          **DEPUTY COMMISSIONER BENTLEY:** Okay. All right.  
12    Because then you got married a little over a year later  
13    to Mary Asaro (phonetic) and that lasted quite awhile,  
14    right?

15          **INMATE GZIKOWSKI:** Yes.

16          **DEPUTY COMMISSIONER BENTLEY:** Okay. I think  
17    that ended in 2002?

18          **INMATE GZIKOWSKI:** Yes.

19          **DEPUTY COMMISSIONER BENTLEY:** And how did you  
20    meet her?

21          **INMATE GZIKOWSKI:** She was working down at the  
22    motorcycle shop.

23          **DEPUTY COMMISSIONER BENTLEY:** You knew her from  
24    before?

25          **INMATE GZIKOWSKI:** No, she was working at the  
26    motorcycle shop and happened to get my name and wrote  
27    me a letter.

1           **DEPUTY COMMISSIONER BENTLEY:** Okay. Where was  
2 the shop?

3           **INMATE GZIKOWSKI:** In San Francisco.

4           **DEPUTY COMMISSIONER BENTLEY:** In San Francisco.  
5 Okay. All right. What else do you want to tell me  
6 about what you've been doing in prison to make yourself  
7 more suitable for parole?

8           **INMATE GZIKOWSKI:** I don't think I can make  
9 myself any more suitable. I really don't. I've done  
10 everything there is. I enjoyed doing it, but I'm  
11 56-years-old, I'm burning out.

12           **DEPUTY COMMISSIONER BENTLEY:** You're still  
13 young.

14           **INMATE GZIKOWSKI:** Yeah, but you know, I'm burnt  
15 out of doing this, and if I'm not going to be found  
16 suitable for parole, I'm not going to do it anymore.  
17 I'm just going to sit here and die in prison.

18           **DEPUTY COMMISSIONER BENTLEY:** Okay. Well the  
19 Penal Code, well, I'm sure you're familiar with it,  
20 indicates that we are to consider all the circumstances  
21 in determining suitability.

22           **INMATE GZIKOWSKI:** Right.

23           **DEPUTY COMMISSIONER BENTLEY:** And we are to  
24 consider the commitment offense. All right. Your  
25 psychological report was done by Dr. Payne back in  
26 2004. Goes through your prior history that  
27 Commissioner Biggers has already discussed and your --

1 because he mentions under substance abuse that you  
2 indicated that you didn't have any substance abuse  
3 problems. When you were arrested for driving under the  
4 influence, was that alcohol?

5 **INMATE GZIKOWSKI:** When they arrested me that  
6 night, it was because I was speeding. When they took  
7 me to jail, they took my blood, found out (inaudible)  
8 so that was a reckless driving, it was dropped to  
9 reckless driving.

10 **DEPUTY COMMISSIONER BENTLEY:** Okay.

11 **INMATE GZIKOWSKI:** I was not arrested.

12 **DEPUTY COMMISSIONER BENTLEY:** Okay. And he  
13 gives you under the diagnosis under Axis I and II he  
14 has No Diagnosis. And he gives you a GAF score of 85  
15 to 90 and of course he indicates that you do not  
16 exhibit any psychiatric disorder. He goes through and  
17 reviews the life crime with you rather extensively and  
18 he also talks about your parole plans, which we'll be  
19 getting into. And then says under assessment of  
20 dangerousness, he says within a controlled setting your  
21 propensity for violence is considered to be less than  
22 that of the Level I inmate and no greater than the  
23 average citizen if released at this time. He does not  
24 present any significant risk factors for violence and  
25 he indicates you've been programming well and you have  
26 viable job skills that should enable you to find  
27 employment. All that remains at the present is for him

1 to firm up his parole plans in regards to his future  
2 living situation and to have those verified by his  
3 fiancée. So we'll go then -- now to your parole plans.  
4 And those parole plans are to parole -- And I believe  
5 since your -- I'm not sure -- since 2004 -- exactly  
6 when the law changed, but the law's changed and the  
7 Board -- you don't have to go back to the county of  
8 commitment anymore. The Board can determine which is  
9 the most appropriate.

10 **PRESIDING COMMISSIONER BIGGERS:** Two thousand  
11 four.

12 **DEPUTY COMMISSIONER BENTLEY:** Yeah. So you plan  
13 on paroling into Grass Valley. Is that correct?

14 **ATTORNEY KELLY:** Not at this point.  
15 Unfortunately you didn't get my brief in time but let  
16 me tell you -- you asked Mr. Gzikowski -- came in if he  
17 was angry. He's been through a lot in the past couple  
18 of years. I held onto a property that was the most  
19 incredible parole possibility I could come up with. I  
20 owned an inn and I had a separate residence that was a  
21 self-contained block. I owned a city block. When his  
22 parole was denied, I couldn't maintain it alone. I  
23 work fulltime as an attorney. I had a child who was a  
24 victim of violent crime who I'm caring for. And I just  
25 couldn't do it. I had to sell it. I almost went  
26 bankrupt. So that is gone. I no longer own that  
27 property. Because of the way things happen, it puts us

1 in kind of a catch-22. I would do anything to help  
2 John with parole. I would relocate. I would do  
3 anything because I firmly believe he belongs out of  
4 prison. I have the financial capacity to move. I have  
5 money in the bank. I could relocate. My license is  
6 good anywhere. I don't think he should go back to San  
7 Francisco. I think that --

8 **DEPUTY COMMISSIONER BENTLEY:** Okay. Bottom  
9 line, today, if he were to be released, where would he  
10 go?

11 **ATTORNEY KELLY:** Well if you tell me -- if he  
12 was released, he'd go home with me and I'd put him --

13 **DEPUTY COMMISSIONER BENTLEY:** (Inaudible).

14 **ATTORNEY KELLY:** -- on my private plane. San  
15 Francisco. And I could move in two days.

16 **DEPUTY COMMISSIONER BENTLEY:** Okay.

17 **ATTORNEY KELLY:** To answer your question. I  
18 think he should be in a rural setting. That's what he  
19 wants. He's been sending out letters to San Francisco  
20 based on the last ruling, it said it had to be, you  
21 know, San Francisco. But it's not -- I don't think it  
22 is an appropriate place.

23 **PRESIDING COMMISSIONER BIGGERS:** That was  
24 changed in 2004 (inaudible) mentioned.

25 **ATTORNEY KELLY:** And that's really good news to  
26 me. I think that he would do fine outside of the city.  
27 And you know, you and I both know, if you approved him

1 today, it would probably be four months before it goes  
2 through the procedure. In that four month period  
3 (inaudible).

4 **PRESIDING COMMISSIONER BIGGERS:** (Inaudible)  
5 change.

6 **ATTORNEY KELLY:** A lot can change. But you  
7 know, in the meantime I've gone back to San Francisco  
8 because I make better money there and I'm a renter so I  
9 could move in five minutes. I have a month to month  
10 lease.

11 **DEPUTY COMMISSIONER BENTLEY:** Okay. All right.  
12 Now, you have sent letters concerning employment.  
13 Correct?

14 **INMATE GZIKOWSKI:** Yes.

15 **DEPUTY COMMISSIONER BENTLEY:** Okay. And do you  
16 have any response from any of these?

17 **INMATE GZIKOWSKI:** The reason I wrote to San  
18 Francisco was it's hard to get offers of jobs when you  
19 don't know if you're getting out.

20 **DEPUTY COMMISSIONER BENTLEY:** (Inaudible).

21 **INMATE GZIKOWSKI:** So what I did was (inaudible)  
22 information --

23 **ATTORNEY KELLY:** (Inaudible).

24 **INMATE GZIKOWSKI:** Yeah.

25 **ATTORNEY KELLY:** There are responses from the  
26 Northern California Service League, explain their --  
27 what they're able -- help people, parolee employment

1 programs, also from (inaudible) CETA services.

2 **INMATE GZIKOWSKI:** Let me interject here. I  
3 wrote the Northern California Service in San Francisco  
4 (inaudible) information and they (inaudible) what's  
5 called (inaudible) Job Program which I was told about  
6 in DVI in the early '90s when (inaudible) development.  
7 What that was for (inaudible) guys who did long terms  
8 get out and find jobs, job assistance (inaudible). But  
9 they have a new program now, it's been going on for  
10 five years called the Parolee Employment Program,  
11 called PEP. And this is all throughout the state and  
12 it works on the auspices of the California Department  
13 of Corrections & Rehabilitation and Parole Services  
14 (inaudible) direct umbrella (inaudible) Employment  
15 Development Department. According to these people in  
16 San Francisco, every time we have access to these  
17 programs (inaudible) just about went bankrupt the last  
18 time (inaudible) again. The State (inaudible). They  
19 have programs (inaudible) employers, housing, tools,  
20 work clothes (inaudible) custody.

21 **DEPUTY COMMISSIONER BENTLEY:** Do you want to  
22 take a recess?

23 **ATTORNEY KELLY:** No, that's okay. I think we'd  
24 like to do this but I think, you know, you raised this  
25 issue and so I'm going to throw it out there. I am not  
26 a stupid person or an idiot. I met John through  
27 someone I knew in Hells Angels who said will you go

1 into DVI and meet somebody and help him in a divorce.  
2 I'm a divorce lawyer. This is not my bailiwick. I was  
3 blown away by the fact that he still has heart and  
4 spirit in spite of what he'd been through. I was very  
5 taken by his decency as a human being, in spite of all  
6 the years in prison that he still maintained a soul. I  
7 was Quaker by nature. I believe in the goodness in  
8 people. I'm sometimes proven wrong but not too often.  
9 My 88-year-old mother came and visited (inaudible) my  
10 family thought I was crazy until they met him. This is  
11 a man who has managed to maintain friends despite being  
12 locked up for 28 years because he has an ability to  
13 communicate. His letters --

14 **DEPUTY COMMISSIONER BENTLEY:** You're going to  
15 have an opportunity to make a closing statement.

16 **ATTORNEY KELLY:** Okay.

17 **DEPUTY COMMISSIONER BENTLEY:** (Inaudible) kind  
18 of think you're kind of getting into.

19 **PRESIDING COMMISSIONER BIGGERS:** One of the  
20 things I want to tell you is I did not call you crazy.  
21 I didn't mention that.

22 **ATTORNEY KELLY:** No, no, I'm not suggesting you  
23 did.

24 **PRESIDING COMMISSIONER BIGGERS:** Okay. All  
25 right.

26 **ATTORNEY KELLY:** But you know, I have certainly  
27 heard it and I've certainly -- I mean, I had district

1 attorneys in my home on New Year's Eve who think I'm  
2 probably --

3 **PRESIDING COMMISSIONER BIGGERS:** Just for the  
4 record --

5 **ATTORNEY KELLY:** -- certifiable.

6 **PRESIDING COMMISSIONER BIGGERS:** -- (inaudible)  
7 say I called you crazy.

8 **ATTORNEY KELLY:** No, no. Please, I'm not  
9 suggesting it.

10 **PRESIDING COMMISSIONER BIGGERS:** Okay.

11 **ATTORNEY KELLY:** But you know I can see where  
12 that would be a concern. The bottom line is I'm an  
13 officer of the court and I will be deeply involved with  
14 John upon his release no matter what. And I believe he  
15 has everything in the world to come home to.

16 **PRESIDING COMMISSIONER BIGGERS:** Okay.

17 **INMATE GZIKOWSKI:** And also, paroling back to  
18 San Francisco is going to put me into a conflict --  
19 contact with certain individuals who I don't want to be  
20 around. I don't want to say their names. I understand  
21 the rules of parole. I don't want to be in a position  
22 where (inaudible) Jane, as an example, she has clients  
23 coming to her house who are felons, ex-felons,  
24 etcetera. That's going to be a conflict to the parole  
25 officer herself. If I go back to San Francisco, guys  
26 who have recently been arrested, they're out on bail.

27 **DEPUTY COMMISSIONER BENTLEY:** We already

1 explained that to you, that you no longer have to go  
2 back to San Francisco.

3 **INMATE GZIKOWSKI:** Great.

4 **DEPUTY COMMISSIONER BENTLEY:** That the Board  
5 will determine what is the appropriate place but we  
6 need to see what it is.

7 **INMATE GZIKOWSKI:** If you could parole me  
8 directly to the custody of the parole officer.

9 **DEPUTY COMMISSIONER BENTLEY:** We can't do that.

10 **INMATE GZIKOWSKI:** And have him implement this  
11 program.

12 **PRESIDING COMMISSIONER BIGGERS:** We can't do  
13 that.

14 **DEPUTY COMMISSIONER BENTLEY:** We can't do that.

15 **ATTORNEY KELLY:** Okay. If you -- The answer to  
16 your question is any place that -- I would frankly look  
17 probably at Lake County, which is quite rural. It's  
18 within two hours of San Francisco. And if he's  
19 approved, I will make sure there's housing.

20 **PRESIDING COMMISSIONER BIGGERS:** We need to see  
21 that, that you have a residence.

22 **ATTORNEY KELLY:** Okay. I can't -- I am not  
23 going to lay out the money for residence until he's  
24 paroled.

25 **PRESIDING COMMISSIONER BIGGERS:** Okay.

26 **ATTORNEY KELLY:** But if they say he's approved,  
27 it would be Lake County. I can tell you that right

1 now. I have a son who is a contractor who could hire  
2 him like that. But I can't do it and I'm not going to  
3 go rent a house, it's a one year lease. I cannot  
4 commit to that until I know --

5 **INMATE GZIKOWSKI:** You know, what happened last  
6 time even my (inaudible) got scared. These are tough  
7 guys out there, you know, (inaudible), John, we get you  
8 a job, we can't keep the job open. We get you a place  
9 to stay, we can't do this.

10 **PRESIDING COMMISSIONER BIGGERS:** Well, you keep  
11 bringing up about what happened last time. This is a  
12 new Panel. We need to see where you're going to parole  
13 to, whether you have an adequate place to live and do  
14 you have any job offers.

15 **ATTORNEY KELLY:** And what I'm saying is you're  
16 asking him to get somebody to hold a job for up to six  
17 months.

18 **PRESIDING COMMISSIONER BIGGERS:** Doesn't have to  
19 hold a job.

20 **ATTORNEY KELLY:** (Inaudible).

21 **PRESIDING COMMISSIONER BIGGERS:** We have inmates  
22 come in to see us all the time that have letters  
23 indicating that they will in fact hire somebody  
24 (inaudible).

25 **ATTORNEY KELLY:** This (inaudible) --

26 **PRESIDING COMMISSIONER BIGGERS:** That is a --

27 **ATTORNEY KELLY:** Okay.

1           **PRESIDING COMMISSIONER BIGGERS:** That is a  
2 program that has certain qualifications that he must  
3 meet. I'm talking about letters from private  
4 employers. Please go ahead.

5           **DEPUTY COMMISSIONER BENTLEY:** Okay. All right.  
6 Let me go ahead and get into the petitions here. And  
7 you have petitions here from people all over the world,  
8 right?

9           **ATTORNEY KELLY:** Correct.

10          **DEPUTY COMMISSIONER BENTLEY:** Are they contacts  
11 that you've made I'm assuming?

12          **ATTORNEY KELLY:** Not necessarily me. People are  
13 aware of this. I mean there are boxes of this. If you  
14 looked at the whole file, I suspect there's probably a  
15 couple of file boxes full of petitions from everywhere.

16          **DEPUTY COMMISSIONER BENTLEY:** Okay. Germany  
17 (inaudible).

18          **ATTORNEY KELLY:** Germany, England.

19          **DEPUTY COMMISSIONER BENTLEY:** Canada. Well  
20 somehow they had to know about it.

21          **ATTORNEY KELLY:** I go to motorcycle rallies.

22          **DEPUTY COMMISSIONER BENTLEY:** Okay. Okay.

23          **ATTORNEY KELLY:** They're not all motorcyclists.  
24 There are a lot of women on there. I assure you  
25 they're not club members (inaudible).

26          **DEPUTY COMMISSIONER BENTLEY:** Okay.

27          **PRESIDING COMMISSIONER BIGGERS:** Do they know

1 the inmate?

2 **ATTORNEY KELLY:** They know of him through  
3 writings and through my discussions.

4 **DEPUTY COMMISSIONER BENTLEY:** All right. Well  
5 anyway --

6 **ATTORNEY KELLY:** Prolific writer.

7 **DEPUTY COMMISSIONER BENTLEY:** -- there's a lot  
8 of pages and they're from all these different  
9 countries--

10 **PRESIDING COMMISSIONER BIGGERS:** Thank you.

11 **DEPUTY COMMISSIONER BENTLEY:** -- indicated.  
12 Okay. Anything else about parole plans?

13 **ATTORNEY KELLY:** No, except that I could  
14 guarantee this Board if you give him parole, within a  
15 week I will have a house and a job for him.

16 **DEPUTY COMMISSIONER BENTLEY:** Okay.

17 **ATTORNEY KELLY:** But I need to know that he's  
18 released before I ask those favors.

19 **DEPUTY COMMISSIONER BENTLEY:** Okay. All right.  
20 We sent out 3042 Notices, those out go out to the  
21 agencies that would have an interest in this hearing.  
22 We didn't receive any letters in response to those. We  
23 do have the Deputy District Attorney from San Francisco  
24 who has responded to the notice and (inaudible) person.  
25 So with that I'll return to the Chair.

26 **PRESIDING COMMISSIONER BIGGERS:** You indicated  
27 when you were asked about the self-help program and

1 what have you done since the last hearing, you  
2 indicated you hadn't done anything and the reason you  
3 didn't do anything, I didn't quite catch that. Would  
4 you please clarify that for me please?

5 **INMATE GZIKOWSKI:** I'm tired and burnt out. I  
6 feel it's hopeless.

7 **PRESIDING COMMISSIONER BIGGERS:** You don't feel  
8 that you can better yourself by --

9 **INMATE GZIKOWSKI:** No, I feel it's hopeless.

10 **PRESIDING COMMISSIONER BIGGERS:** Okay. At this  
11 point then I'm going to ask the District Attorney, do  
12 you have any questions for the inmate?

13 **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** Yes.

14 **PRESIDING COMMISSIONER BIGGERS:** Thank you.

15 **DEPUTY DISTRICT ATTORNEY UNDERWOOD:**  
16 Commissioners, I'd like you to ask the inmate,  
17 according to this statement, the driver of the car that  
18 threatened him, pulled out a gun and threatened him  
19 with it. Can he explain why there was no gun found in  
20 the car or with the people that he brutally murdered?

21 **PRESIDING COMMISSIONER BIGGERS:** Sir.

22 **INMATE GZIKOWSKI:** No.

23 **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** I have no  
24 other questions.

25 **PRESIDING COMMISSIONER BIGGERS:** Thank you. Do  
26 you have any questions for the inmate, ma'am?

27 **ATTORNEY KELLY:** John, you feel at this point if

1 you were released from prison that you could lead a  
2 productive life?

3 **INMATE GZIKOWSKI:** Sure I could.

4 **ATTORNEY KELLY:** I don't have anything else  
5 other than some statements I'd like to make on the  
6 record.

7 **PRESIDING COMMISSIONER BIGGERS:** Well, you can  
8 do that in closing (inaudible).

9 **ATTORNEY KELLY:** I understand.

10 **PRESIDING COMMISSIONER BIGGERS:** Okay. At this  
11 point then I'm going to ask the District Attorney to  
12 close please.

13 **DEPUTY DISTRICT ATTORNEY UNDERWOOD:** The  
14 District Attorney feels that it is not reasonable to  
15 expect that parole should be granted at -- hearing at  
16 this time. Numerous factors include the offense which  
17 has been gone over, the fact that there was multiple  
18 victims, the defendant had an opportunity not to  
19 proceed, he didn't have to go back and kill these  
20 people. He further said that there was a gun, that the  
21 people that he murdered exhibited a gun. However,  
22 there was no gun found in the car on these individuals.  
23 We don't even know that he ended up murdering the  
24 people who he said threatened him. And the other thing  
25 that we object to is that -- the other reason we feel  
26 that he's not suitable is because he hasn't done any  
27 programs since 1999 that I could find. I'm not -- I do

1 not have advantage of the letters that were provided  
2 today, but I reviewed the file and I didn't find any  
3 programs or anything since 1999. And the last thing is  
4 the lack of parole plans. There is no letter from the  
5 attorney's brother even saying that he would give him a  
6 job if he was paroled to the Clear Lake -- none of  
7 these letters exist. And on that basis, the District  
8 Attorney's office is objecting to the granting of  
9 parole

10 **PRESIDING COMMISSIONER BIGGERS:** All right.  
11 Thank you. Miss Kelly.

12 **ATTORNEY KELLY:** Penal Code 3041 is pretty  
13 clear. It says the Board shall set a release date  
14 unless it determines that the gravity of the current  
15 convicted offense or offenses or the timing is such  
16 that there's a consideration of public safety. Every  
17 single psychological report going back to the early  
18 period of incarceration indicates that Mr. Gzikowski  
19 has less potential for future violence than your  
20 average citizen. The fact that he hasn't done a  
21 program since 1999, he's done every program. If  
22 (inaudible) come up with a new program, that'd be  
23 great. But he's done every single program. He's  
24 jumped through every loop you've asked him to do.  
25 Every time he's goes through one, they raise the hoop  
26 just a little bit higher. We had parole plans. We had  
27 excellent parole plans. It almost cost me 60 years of

1 savings. You asked somebody to do something kind of  
2 ass backwards. Get parole plans and then we'll release  
3 you but you have to go through -- it's at least six  
4 months, so pay rent on a house or buy a house you may  
5 have to sell and get a job lined up that you might not  
6 be able to take. I don't think that's fair. I have a  
7 son who's sitting in a motel room in town who is a  
8 general contractor, employs a number of people in Lake  
9 County who could be here in five minutes and tell you  
10 he'd hire him the day he's out. He's a skilled person.  
11 He has a skill as a welder. Welders have no problems  
12 finding jobs, even those who have committed crimes. I  
13 have tremendous sources and resources to help him if  
14 he's released. I can't put my family at jeopardy any  
15 longer until we have a date. So you know, the last  
16 time we came here, I know you tell me it's irrelevant,  
17 but we were not probably as angry as I feel today. It  
18 is difficult. It is difficult to have a date given and  
19 then pulled away from you again and to lose a great  
20 deal in the process. John has a lot to come home to.  
21 You look at the statistics and you read the paper and  
22 you wonder what kind of world we live in where people  
23 go to jail (inaudible) throw away the key. This is  
24 California. It makes no sense to me as a human being.  
25 (Inaudible) should really make you do a double take. I  
26 hope this new Board does take the initiative and does  
27 look at what's going on in California prisons because

51

1 it's absurd to the rest of the world, we have people  
2 rotting in here and we have a guy who's been here 28  
3 years on a seven to life, and it is not appropriate to  
4 make it life without the possibility of parole. He was  
5 not sentenced to that. Now I could go on for hours on  
6 statistics. I'm hoping you're aware of it. And I hope  
7 you hear -- hear what's going on in the world that says  
8 this has got to stop. We can't ship people to Arizona  
9 because are prisons are full.

10 **PRESIDING COMMISSIONER BIGGERS:** Ma'am, your  
11 closing statement has to do with his suitability.  
12 (Inaudible) --

13 **ATTORNEY KELLY:** I think his suitability --

14 **PRESIDING COMMISSIONER BIGGERS:** -- California.

15 **ATTORNEY KELLY:** -- has been shown through --

16 **PRESIDING COMMISSIONER BIGGERS:** All right.

17 Okay.

18 **ATTORNEY KELLY:** -- for years.

19 **PRESIDING COMMISSIONER BIGGERS:** All right.

20 Mr. Gzikowski, you have the opportunity now to tell  
21 this Panel why you feel you're suitable for parole,  
22 sir.

23 **INMATE GZIKOWSKI:** I've said enough. Thank you.

24 **PRESIDING COMMISSIONER BIGGERS:** Okay. Then  
25 we'll go into deliberations.

26 **R E C E S S**

27 --oOo--

**CALIFORNIA BOARD OF PAROLE HEARINGS****D E C I S I O N**

**DEPUTY COMMISSIONER BENTLEY:** We are on record.

**PRESIDING COMMISSIONER BIGGERS:** Okay. Let the record reflect that everyone that was in the room prior to us going into deliberations are now back in the room. In the matter of Mr. John Gzikowski, G-Z-I-K-O-W-S-K-I, CDC number D-00666, the Panel has reviewed all the information received from the public and relied on the following circumstances in concluding the prisoner is not suitable for parole, would pose an unreasonable risk of danger to society or a threat to public safety if released from prison. This is going to be a one year denial. The Panel looked at the commitment offense which we felt was done in an especially cruel, brutal, cold blooded and heinous manner that demonstrated to this Panel that the inmate had no regard for human life. This one done primarily because on April 20, 1978, when the victims, Mr. Raymond Velonza, V-E-L-O-N-Z-A, and Gary Orasis, O-R-A-S-I-S, were parked on Market Street, the inmate and his codefendant stopped next to their car and he pulled out a shotgun and shot the two victims who were seated in the car. The motive for the crime we felt was very trivial in relationship to the offense. It appeared that the committed offense was done primarily because he was disrespected which he interpreted to be a threat, and this was taken from the probation

**JOHN GZIKOWSKI D-00666 DECISION PAGE 1 1/3/07**

1 officer's report. The inmate failed to profit from  
2 society's previous attempts to correct his criminality.  
3 He had a prior prison term for selling a controlled  
4 substance. His other priors included primarily -- for  
5 vehicle violations and he did also have some probation as  
6 an adult. The inmate has programmed fairly well.  
7 However, he hasn't programmed here recently, since his  
8 last hearing. He does have three vocations, two  
9 vocations, excuse me. Machine Repair and he's also a  
10 Journeyman Welder. He has taken some college courses. He  
11 (inaudible) participated in beneficial self-help and  
12 therapy but as he stated, and this is from the inmate's  
13 perspective, that he doesn't feel -- he said he's done  
14 everything and he's burnt out. He has two 128 counseling  
15 chronos and four serious 115's with the last being in  
16 February of '03 for excessive contact with his attorney.  
17 The psychological report dated April 26, 2004 authored by  
18 Dr. Payne wasn't (inaudible) supportive of release, and  
19 I'm quoting, he said that: "In a controlled setting the  
20 inmate's propensity for violence is considered to be less  
21 than that of the Level I inmate and no greater than that  
22 of the average citizen." And his parole plans, this Panel  
23 doesn't feel that you had any parole plans, sir. I know  
24 that your attorney indicated that it appears that the --  
25 we're doing this, and I'm quoting from the attorney, "ass  
26 backwards." However, this Panel feels that we need to  
27 **JOHN GZIKOWSKI D-00666 DECISION PAGE 2 1/3/07**

1 know exactly where you're going to go, what you're going  
2 to be doing. I have no doubt -- We have no doubts that  
3 your attorney's son could in fact give you a job.  
4 However, we like to see that in writing on letterhead  
5 indicating exactly what you're going to be doing, how much  
6 you're going to get paid because we don't want to put  
7 anybody out there on the street on the whim of someone  
8 saying my son will hire you or whatever. We understand  
9 that you do have marketable skills and you can be  
10 employed, but we still need to know where you're going to  
11 go and what you're going to be doing. So you really need  
12 to firm up your parole plans before your next hearing.  
13 The hearing Panel on the 3042 Notices indicated -- we  
14 found that the District Attorney of San Francisco  
15 indicated an opposition to a finding of parole  
16 suitability. Nevertheless, we want to commend you for  
17 obtaining your two vocations, for getting your college  
18 credits and also for being disciplinary-free since 2003.  
19 And I'm going to ask Deputy Commissioner to say a few  
20 words please.

21 **DEPUTY COMMISSIONER BENTLEY:** Yeah, I've been at  
22 this job a long time and I just wanted to kind of point  
23 out a few things. I know you're frustrated. You also  
24 have to recognize that when you come into these hearings  
25 you've got to make the best presentation that you can.  
26 And you came with a real bad attitude today which

55

1 demonstrates kind of a propensity that could lead to  
2 violence with an attitude like that. So I want you to  
3 consider that. Put your best foot forward when you come  
4 into these hearings. I'm sure when you were given a date  
5 you didn't come in with the attitude that you've showed  
6 today. That's all I have.

7 **PRESIDING COMMISSIONER BIGGERS:** All right.  
8 However, these positive aspects of your behavior do not  
9 outweigh the factors of unsuitability. And again, this is  
10 going to be a one year denial. The Panel's going to  
11 recommend that you remain disciplinary-free. Be involved,  
12 when available, anything vocationally that you can do.  
13 Participate in self-help And I'm also going to point out  
14 to you, sir, I agree, I know that you're frustrated and it  
15 has been a struggle as your attorney mentioned about the  
16 fact that you, you know, that she's almost lost  
17 everything. But at the same time, you cannot come in here  
18 displaying the attitude that you did today (inaudible)  
19 Panel. All right. That concludes the hearing. The time  
20 is now two minutes after ten. Good luck to you, sir.

21 **A D J O U R N M E N T**

22 --oOo--

23 **PAROLE DENIED ONE YEAR**

24 **THIS DECISION WILL BE FINAL ON:** MAY 03 2007

25 **YOU WILL BE PROMPTLY NOTIFIED IF, PRIOR TO THAT**  
26 **DATE, THE DECISION IS MODIFIED.**

27 **JOHN GZIKOWSKI D-00666 DECISION PAGE 4 1/3/07**
